Waiver of Installation Charges

☐ In order to qualify for waived broadband installation and activation fees (normally \$150.00) I agree to continue the service for at least six (6) months. If I terminate service for any reason before the six (6) month period has expired, a fixed early termination fee of \$25.00 will be added to my account. After I have completed the initial 6 (six) month period at the fixed rate, my service will be month to month with no early termination penalty, but thereafter be charged by Volcano at current prevailing rates.

Not included in the installation are the following: Running new "home run" from the SNI (phone line, coax or fiber), Running new inside wire for homes with multiple telephone numbers and less than four (4) pair inside wires, installation of new outlets, connecting customer equipment to the network.

Additional Information

By signing below, I authorize installation of video and data services and equipment as shown above and acknowledge that I have read and agree to the Volcano Communications ISP Network Policies, a copy of which may be obtained through the Volcano Communications Business office or Online at <https://www.volcanocommunications.com/network-policies>

This information is submitted to obtain services and I certify that all information is true and complete. If this information is not complete or is untrue, I agree that service may be denied or discontinued. If this application is approved and service provided, the undersigned agrees to pay for all services rendered until such date as the Applicant notifies the Company that the service should be discontinued.
